- ☺ The total in the **Pink Envelopes** for the last 2 week and the monies raised over **Heritage Weekend** for the renovation fund was **£621.92**. Many thanks for this.
- ☺ **Heritage Open Days Choir Concert and Denton Carnival.**
A **HUGE Thank You to everyone** who has used their skills, talents and time to make the **Heritage Weekend** and **Denton Carnival** a time for reaching out to the community and sharing our faith. With 104 visitors and 1 dog for the **Heritage Open Days**, and numerous visitors to the **choir concert, cake and park stalls** we have begun to make St Lawrence's a strong presence in the community and made some new friends.
- ☺ **Experience Harvest** – our next Open Week 3rd to 9th October. There are still some **harvest stations** that need to be prepared. Both Greswell and Linden Road schools will be visiting so in addition to the 2 hour slots for **welcoming** folk we also require **volunteers** to work with the children on **each station**. Sheila Cant has the lists – please seek her out and volunteer! If any folk from Christ Church Denton would like to participate please don't be hesitant in volunteering.
